Welcome to our **360° VIRTUAL CAMPOUT**. We are so excited to walk alongside you on this unique experience. Although we are sad we cannot physically meet, we are eternally thankful for this opportunity to explore new ways to teach and learn.

The vision of **360° VIRTUAL CAMPOUT** came from scripture found in Matthew 5:13-16 “You are the salt of the earth. But suppose the salt loses its saltiness. How can it be made salty again? It is no longer good for anything. It will be thrown out. People will walk all over it. **You are the light of the world.** A town built on a hill can’t be hidden. Also, people do not light a lamp and put it under a bowl. Instead, they put it on its stand. Then it gives light to everyone in the house. In the same way, **let your light shine so others can see it.** Then they will see the good things you do. And they will bring glory to your Father who is in heaven.”

Everyday we have the choice to show the world around us what it means to love like Jesus. We believe Jesus changes everything and for this we choose to be the salt and light of the world.

So, you might be asking what exactly does it mean to be the **salt** and **light** of the world, and how do I teach my child this concept? Don’t worry! We have you covered. We have provided you with a Bible lesson filled with worship and a unique **360°** view that can be found on our **YouTube** channel beginning at **7pm**. Additionally, you can use the **Family Time Parent Guide** to help you facilitate conversation and reinforce the lesson through 2 fun games (supplies included). And, what is a **CAMPOUT** without **S’MORES**?! You will find a complete **S’MORES** kit with a special ingredient! Add a little salt to your **S’MORE** and experience how **JESUS** changes everything.

We hope you enjoy learning about being the **salt** and **light** of the world! Don’t forget to tag us @scgkids as you show the world how Jesus changes everything.

Love,

Your **SCG KIDS** Team

Family Time Parent Guide

Quick Lesson Review

Ask: “What might it be like to live in a world where no food had any salt? And what if we had to live without light?”

Explain: “Salt and light make such a big difference in our daily life, and Jesus was very intentional when he used these 2 things to compare what Christians are like. Though you may not think so, when we live for Jesus in our broken world, we bring an incredible taste of God with us! The words and actions of faithful Christians are salt and light to those around us.”

Game 1 Instructions

Prep & Supplies: Situation Cards (provided), cut and stacked face down

Say: “Every time we meet someone or do something, we have two choices. We can either give light by shining for Jesus, or we can bring darkness. When we choose to let our light shine and treat others the way we want to be treated, we show them who Jesus is!”

Explain: “For this game, we are going to take turns picking one card from the pile of cards. That person will read the situation out loud and then try to come up with one way they could be a light shining for Jesus in that situation, and then one way they could maybe be darkness. We can all chime in and help if anyone gets stuck!”

Game Closing: “We want the way we act and the words we use to make others want to know more about Jesus! We can share His story with our words and our actions. Every time we let our light shine and treat others the way we want to be treated, we share God’s story with the world.”

Game 2 Instructions

Prep & Supplies: 10 straws cut at different lengths, bandana for a blindfold (all provided)

Explain: “We are going to blindfold each of you, one at a time. Using a stopwatch timer, we’ll see how quickly you can line up the straws in order of shortest to longest. Once everyone gets a turn, we’ll try again...but this time, NO blindfold.

Game Closing: “Having light makes life so much easier, right?! It makes an incredible difference. Jesus calls us the light of the world! We can help people see a better way to live and show who God is by living for Jesus and being lights!”

Discussion & Prayer

Ask & Discuss: “Where would you like to do a better job being salt or light?”

Pray: God, please help us see opportunities to share Your story and love with the people in our lives. Help us not to just TALK about You to others, but to SHOW the people around us that You are the one we follow. Please open our eyes to discover the plans You have for us...plans to use our talents to tell Your story. In Jesus’ name, amen!

Situation Cards | Game 1

Your sister or mom asks how she looks	Your family is watching TV and no one else wants to watch the show that you want
You're tired but you have piano practice	Your parents ask how your day is going
Your friend has the answers to the test and offers to share them with you	Your little brother keeps following you around
Your mom asks if you can help with the dishes	Your friends are talking about one of our classmates and making fun of them
You walk out to the lunch tables and see your friends. You also see someone sitting alone.	A new family moves in down the street
